**Forbes Financial Advisor iConference.....You are cordially invited!**

**Earn Up to 10 CE Credits By Attending This Online Event!**

Dear Advisor:

Please join me on June 29th and 30th when Forbes will host a special online-only event, our first ever **Financial Advisor iConference**, **“Building Wealth with Innovative Ideas and Advice.”** Our virtual conference will be accessible from any Web-enabled computer, so there are no travel or hotel accommodations necessary to attend this event.

Our June two-day event will feature an impressive lineup of experts that we think will help you grow your business and enrich your client’s portfolios. There will be more than 30 presenters and, like any real world conference, there will be opportunities to interact with the experts.

Besides my keynote address, you will hear from **Sean Hanlon, Chairman, CEO and Chief Investment Officer, Hanlon Investment Management**. He will be featured in a special interactive discussion called **Retirement Rescue Plans**.

The iConference will also feature economist Gary Shilling, Princeton Economics Professor Burton Malkiel, real estate expert Martin Cohen and Web marketing guru Anne Holland. There will be panels devoted to such topics as exchange-traded funds, real estate, building your business and the best technology tools of the trade. For more details on the iConference agenda and speakers, please visit [www.forbes.com/advisor](http://www.forbes.com/advisor).

Our Forbes Advisor iConference will also give you the opportunity to obtain important continuing education credits recognized by the CFP Board.

As my special guest for this online event, you are eligible for **complimentary admission if you register before June 19th**. All you need to do is enter the code “**hanlon**” when registering to attend. So please don't delay, space is limited.

I am looking forward to meeting you online at our **Financial Advisor iConference, “Building Wealth with Innovative Ideas and Advice.”** [Please click here to register.](#)
